The Beads of Love: A Rosary offers a variety of prayers as one walks with Christ through his earthly life. The meditations also invites the user to reflect on the sacraments and on the lives of saints who have walked this road before them.

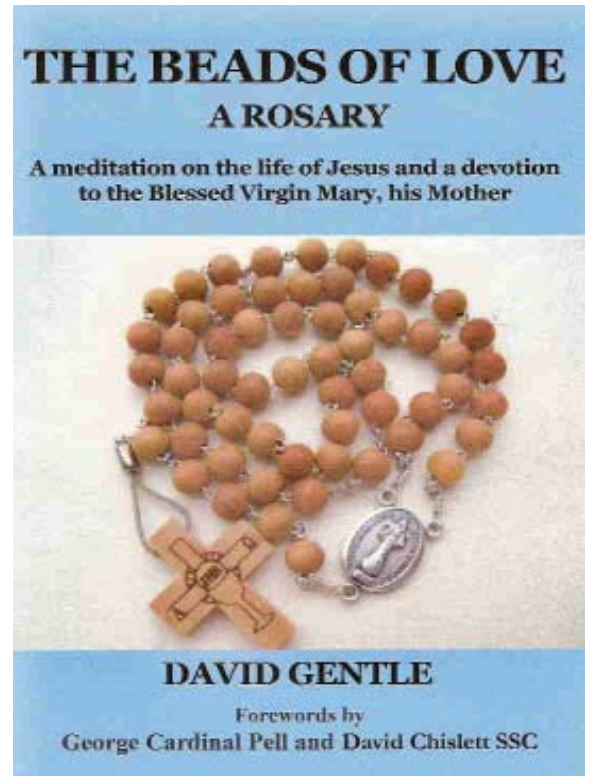

The Rosary provides not only an abundance of reflective prayer for those who find it easy to pray, but it also offers an oasis of prayer for people who are going through periods of spiritual drought. By praying the Rosary, we enter into the presence of God, his saints, the angels and the Blessed Virgin Mary, who is always willing to intercede for us, through her beloved son, Jesus.

"Father David Gentle's Beads of Love –A Rosary is a beautiful example of a traditional prayer, changed and developed to help today's Christians pray."

Cardinal George Pell

"The first explicitly Anglican recommendation of the Rosary was in a book written by Anthony Stafford, a layman, in 1635. The Bishop of London approved the book, and, the Archbishop of Canterbury defended it. I am in good company, then, in commending Father Gentle's book to the widest possible readership."

+ David Chislett SSC Assistant Bishop, Anglican Catholic Church in Australia
